Instances of refusal to cash in the treasuries the Remittance Transfer Receipts and Cash Orders, for want of the specimen signatures of the Drawing Officer and consequent inconveniences caused to the holders of such Remittance Transfer Receipts and Cash Orders have come to the notice of the undersigned. The attention of all Treasury Officers is invited to the provisions of Articles 426 and 427, Mysore Civil Account Code, Volume II and they are requested to see that the specimen signatures are invariably sent to all treasuries usually drawn on, when any change of Treasury Officer occurs. Notification No. 492—*Books, dated 7th October* 1938.

Victoria Rupees.

The following Press Communique, dated the 15th July 1937, of the Controller of the Currency reiterating that Victoria Rupees continue to be legal tender and that they are exchangeable at their full face value, is published for general information.

" In accordance with a recent decision, Victoria Rupees are not ordinarily reissued from treasuries or from Banks which transact Government business, and these rupees are thus being gradually replaced by coins of more recent mintage. It is understood that in some districts this decision has led to a belief that Victoria rupees are no longer legal tender. This belief is entirely erroneous. Victoria rupees are exchangeable at their full face value and there is no intention of altering the existing position in this respect "
